See it in motion...

and call Doug for a live demo... 513-515-0003!

The above scenes are from the quicktime clip which shows the Turnout Dispenser in action.

The dispenser and dual product pouches are all hand-built in Doug's workshop, which are resourcefully adapted from a wide variety of available materials.

The movie clip is provided as an attachment to this document and is also a standalone file that you can download and view.
